

## **ILWU/PMA JOINT DISCLAIMER VANCOUVER CASUAL PROCESSING LIST**

Attached is the List of those selected in the September 8, 2011 random draw for potential processing toward Unidentified Casual status in the Port of Vancouver. **Any List may be corrected, replaced or updated. Make sure you read and understand the full Disclaimer stated below.** Those to whom processing may be offered will be contacted if and when they will be offered testing.

Candidates who satisfy all screening and testing requirements will become eligible for placement on the Unidentified Casual List from which longshore work is dispatched. However, understand that if more candidates successfully complete their processing than there is current room on the Unidentified Casual List, those additional successful candidates will not immediately obtain Unidentified Casual status or work opportunities. Rather, the next candidates to successfully complete their processing will form an Unidentified Casual List, with dispatch opportunities as Unidentified Casuals, again only so long as there is current room on that List (based on the number of Unidentified Casuals to be maintained on the List as approved by the JPLRC). After the Unidentified Casual Lists are at the capacity approved by the JPLRC, remaining candidates will only be sequenced to form a Waiting List which may be used to fill future needs for possible placement the Unidentified Casual List. Those placed on the Waiting List will be advised by the JPLRC if and when such opportunities will be made available. The Waiting List can be terminated or modified at any time by joint agreement of the JCLRC, and terminates automatically by July 1, 2013 unless extended in writing by the JCLRC.

Submitting a postcard, interest card, or application, having a card selected in a draw, having a card sequenced and placed on a posted List, being contacted for testing/processing, and the stated procedures for casual processing do not offer or guarantee processing, employment or continued employment, particular procedures (including testing or retesting) or promotion. No reliance should be placed upon any of these steps, none of which forms a contract or creates any binding obligations upon PMA or ILWU towards you. The parties to the governing collective bargaining agreement (the "Pacific Coast Longshore Contract Document," PCLCD), through the Joint Labor Relations Committees ("LRCs") may, by joint agreement and in their discretion, at any time without notice, change or revoke the procedures for hiring, promotion, and employment in the longshore industry.

Anyone placed on a List may be disqualified from processing, employment, continued employment etc., and lose all opportunity for dispatch privileges or continued dispatch privileges in the industry, if s/he is found for any reason to have been ineligible for processing. Disqualification may occur at any time, before or after the draw, after placement on a List or initiation of processing, or thereafter (regardless of whether Identified or Unidentified Casual or Registration status had already been achieved) for reasons such as failing to follow all the directions given for properly submitting a card to the draw. This means, for example, that if someone submitted more than one card to the draw and that is discovered after one of his/her cards is drawn and his/her name is placed on a processing List, s/he can still be disqualified from employment in the industry, without any consequences to the PMA or ILWU. Casual longshore processing and any casual longshore employment may be terminated at any time for any reason as determined by the LRCs. Those selected for processing must comply with all required procedures, as they may change from time to time. Applicants are responsible for keeping the Joint Port Labor Relations Committee advised of their current contact information. Any disputes or claims about any aspect of this casual processing program must be in writing and received by the JPLRC within ten (10) days of the source of the complaint at:

JPLRC - Vancouver Casual Processing Grievance  
101 S.W. Main St, Ste 330  
Portland, OR 97204

No extensions. LRC decisions on grievances are final and binding.

This Processing List will be posted for thirty days through the ILWU and PMA websites (ILWU.ORG, PMANET.ORG) and at the following locations:
