

**ILWU/PMA JOINT DISCLAIMER LOS ANGELES/LONG BEACH
CASUAL PROCESSING LIST**

The following pages include a sample orientation letter and the list of those selected in the February 7, 2017, through March 29, 2017, random draw for potential processing toward Identified Casual status in the Port of Los Angeles/Long Beach. The List will be used in sequence to fill Los Angeles/Long Beach's need for new casuals. Those to whom processing may be offered will be contacted, if and when, they will be offered testing for potential casual work. Candidates who satisfy all screening and testing requirements will become eligible for placement on the Identified Casual List from which longshore work is dispatched.

Make sure you read and understand the full Disclaimer stated below. Submitting a postcard, interest card, or application, having a card selected in a draw, having a card sequenced and placed on a posted list, being contacted for testing/processing, and the stated procedures for casual processing do not offer or guarantee processing, employment or continued employment, particular procedures (including testing or retesting) or promotion. No reliance should be placed upon any of these steps, none of which forms a contract or creates any binding obligations upon PMA or ILWU towards you. The parties to the governing collective bargaining agreement (the "Pacific Coast Longshore Contract Document," PCLCD), through the JPLRCs may, by joint agreement and in their discretion, at any time without notice, change or revoke the procedures for hiring, promotion, and employment in the longshore industry.

Anyone placed on a List may be disqualified from processing, employment, continued employment etc., and lose all opportunity for dispatch privileges or continued dispatch privileges in the industry, if s/he is found for any reason to have been ineligible for processing. Disqualification may occur at any time, before or after the draw, after placement on a List or initiation of processing, or thereafter (regardless of whether Identified Casual or Registration status had already been achieved) for reasons such as failing to follow all the directions given for properly submitting a card to the draw.

This means, for example, that if someone submitted more than one card to the draw and that is discovered after one of his/her cards is drawn and his/her name is placed on a processing List, s/he can still be disqualified from employment in the industry, without any consequences to the PMA or ILWU. Casual longshore processing and any casual longshore employment may be terminated at any time for any reason as determined by the JPLRCs. Those selected for processing must comply with all required procedures, as they may change from time to time.

Applicants are responsible for keeping the Joint Port Labor Relations Committee advised of their current mailing address. To change your mailing address prior to your scheduled Orientation, you must submit a change of address request here: <https://apps.pmanet.org/casualsDrawAddressChange/addressChange.cfm>.

To appeal any decision or result related to any aspect of this casual applicant process, applicants must email LALBCPAPPEALS@pmanet.org within ten (10) days of the event resulting in an appeal. No extensions. JPLRC decisions on grievances are final and binding.

Individuals invited to orientation must bring their Orientation scheduling letter and a valid state driver's license. Applicants must be 18 years old as of the date of their Orientation and be able to provide their social security number. While at the training center/site, a face covering must be worn at all times. If you do not have a face covering one will be provided upon request. No late arrivals will be accepted.

If an individual fails to bring the required documentation/information they will be disqualified from further processing. An individual who arrives late (late is defined as after the doors have closed) or fails to appear as scheduled to the Casual Processing orientation shall be disqualified from further processing.

IDENTIFIED CASUAL PROCESSING ORIENTATION

Dear FIRST NAME LAST NAME:

You have been selected to be processed for potential Identified Casual status in the Ports of Los Angeles/Long Beach. To begin that process, you are required to appear at an orientation as follows:

Date: Date Scheduled
Time: Time of Orientation
Location: PMA Training Center
 627 N. Fries Avenue
 Wilmington, CA 90744

You must bring with you, a copy of this letter, proof that you are at least 18 years of age, a valid state driver's license, and provide your social security number. While at the training center/site, a face covering must be worn at all times. If you do not have a face covering one will be provided upon request. No late arrivals will be accepted.

- 1. If you fail to bring the required documentation/information you will be disqualified from further processing.**
- 2. Individuals who arrive late (late is defined as after the doors have closed) or fail to appear as scheduled to the Casual Processing orientation shall be disqualified from further processing.**

Upon completion of orientation (including all required paperwork), individuals (applicants) selected for casual processing will be given the opportunity to attend and complete several days of testing to become a recognized identified casual. Testing includes a Lashing Test, Keyboard Exam, Marine Clerk Cognitive Exam, Semi-Tractor training, a physical examination, Drug and Alcohol screening, and General Safety Training (GST).

Applicants are required to pass the Marine Clerk Cognitive Exam and Keyboard Exam to be eligible to accept clerk work. Applicants who pass the Marine Clerk Cognitive Exam and Keyboard Exam will receive identified casual cards and dispatch privileges that include eligibility to accept clerk work.

Letter Date

Page 2

Applicants who fail their initial Marine Clerk Cognitive Exam or Keyboard Exam will receive identified casual cards and dispatch privileges for longshore work only.

Be advised that a TWIC (Transit Worker Identification Credential) is required by the Department of Homeland Security to enter all marine facilities. Applicants are urged to promptly familiarize themselves with TWIC application requirements: www.tsa.gov and 1-866-347-8371 are resources (not PMA, ILWU, or the JPLRC).

If you already have dispatch privileges in another port, you will have to choose only one port in which to work; you cannot maintain dispatch privileges in more than one port at a time.

Employment as a casual does not constitute a guarantee or promise of future work opportunity, advancement, registration or promotion. Casuals are dispatched only after registered workers, only when there is available work, and only for one shift at a time. There may be times when there is no work available for Casuals. Casuals must nonetheless work sufficient available shifts to remain eligible for dispatch privileges. Casual workers are not eligible for and do not receive health insurance, pensions, holiday pay, vacation pay or other so-called "fringe benefits" that are provided only to class "A" and class "B" registered workers. The Joint Labor Relations Committees may, by joint agreement in their discretion, at any time and without notice, change or revoke the procedures for hiring, processing, dispatching, registration, promotion, and employment in the longshore industry. Those selected for processing must comply with all requirements and procedures as they may change from time to time. You are not, and have not been, guaranteed particular procedures (including testing or retesting), processing, employment or continued employment, or promotion.

Any disputes or claims about any aspect of this casual processing program must be in writing and received by the JPLRC within ten (10) calendar days of the source of the complaint. Letters shall be addressed to lalbcasuals@pmanet.org with the subject line: Orientation JPLRC - Los Angeles/Long Beach Casual Processing Grievance. No extensions. Include a written explanation why your claim should be considered, and any supporting documentation you have. LRC decisions are final and binding.
