U.S. Navy Photo

- *Unauthorized person tampering with a seal on a container*
- *Someone climbing over the fence*
- *An unauthorized vehicle in the yard*
- *A person without proper ID*
- *Unusual photographic activity*

- *Divers near a vessel*
- *Unusual night operations*
- *Changes or lack of usually observed security*
- *Any suspicious activity on the terminal or*

5. AWARENESS OF SECURITY REGULATIONS AND REQUIREMENTS MANDATED BY THE GOVERNMENT.

“Government Security Regulations and Requirements” that you should be aware of:

Employers must:

- *Have a terminal security plan - This plan is not releasable.*
- *Take security precautions based on the Coast Guard MARSEC level.*
- *Establish procedures for reporting all security incidents.*
- *Establish procedures for responding to a security incident and terminal evacuation*
- *Have a Security Training Program - General Safety Training V.*

Persons entering a facility must:

- *Identify themselves (Show approved ID Card).*
- *Have a reason to be on the facility - Proper Dispatch.*
- *Submit to screening - person, vehicle, & baggage when requested.*

The Coast Guard may cite anyone who violates security regulations.

See Code of Federal Regulations “33 CFR 101 - 105” for Coast Guard Regulations concerning Employer & Employee’s Responsibilities.
