SAFETY BULLETIN 03-2024

18 June 2024

Modification of Occupation Code Descriptions

Effective June 29, 2024, PMA will revise the Occupation Code descriptions of the following:

Occupation Code: 0207

Old Description: LOCI – SWITCH

New Description: SWITCH – RAIL

Occupation Code: 0094

Old Description: SWITCH ENGINE OPERAT

New Description: LOCI OPERATOR

This revision is made to assist Employers in selecting the correct Occupation Code for payroll processing and training compliance. The new descriptions better reflect actual work performed.

Employers are reminded to ensure Locomotive Operators are trained in accordance with the Powered Industrial Truck (PIT) regulations for your company's operations.

This Safety Bulletin should be shared with the ASC and AAPC members wherever these Occupation Codes are employed.

Please contact the Area Training Department staff with any questions.
